Amended Ordinance for Jefferson County, West Virginia to raise the E911 fee on residential local exchange service lines, VOIP, PBX and Centrex from $2.90 to $5.00
An ordinance of Jefferson County providing for an amendment to the original a proposal for an enhanced emergency telephone system for holding of a public meeting and for placement of an advertisement notifying the public of such meeting and of the location at which a copy of proposal may be examined.

WHEREAS, section three-cc, article one, chapter seven (7-1-3-cc) of the West Virginia code grants the authority to county commissions to establish an enhanced emergency telephone system and impose a fee of the capital, installation and maintenance costs thereof;

WHEREAS, 24-6-6 of the West Virginia Code states the emergency telephone system plan may be amended after notice of the proposed amendments is given and a public meeting is held.

Now therefore be it ordained by the county commission of Jefferson County, West Virginia pursuant to and in accordance with 24-6-6 of the West Virginia Code, the following:

Jefferson County proposes to amend wireline rates from the current rate of $2.90 per line and 25% of $2.90 per Centrex line to $5.00 per line effective June 19, 2014.

That a copy of the proposal attached hereto be made available for examination by the public at the Jefferson County Courthouse, Charles Town Town Hall, and Shepherdstown Town Hall;

That a public meeting be scheduled to be held at the Jefferson County Library, an annex of the Jefferson County Courthouse on June 11, 2014 at 7:00 p.m. in order to receive comments from other public officials and interested persons;

That at least thirty days but not more than sixty days before such meeting an advertisement be placed by the County Commission Staff in the Spirit newspaper of general circulation in such county, notifying the public the date, time, place and purpose of such meeting and of the location at which a copy of such proposed may be examined.

Section 1 – Definitions

As used in this plan, unless the context clearly requires a different meaning:

(a) “Answering point” means a facility to which enhanced emergency telephone system calls for a county are initially routed for response, and where county personnel respond to specific requests for emergency service by directly dispatching the appropriate emergency service provider, relaying a message to the appropriate provider or transferring the call to the appropriate provider.

(b) “County Commission” means the County Commission of Jefferson County, West Virginia.

(c) “County” means Jefferson County, West Virginia.

(d) “Emergency service provider” means any emergency services organization or public safety unit.

(e) “Enhanced emergency telephone system” means a telephone system which automatically connects the person dialing the primary emergency number to the county answering point and in which the telephone network system automatically provides the personnel receiving the call,
immediately on answering the call, information on the location and the telephone number from
which the call is being made, and upon direction from the personnel receiving the call routes or
dispatches such call be telephone, radio or any other appropriate means of communication to
emergency service providers that serve the location from which the call is made.

(f) “Local exchange service line” means the same as defined in the contract(s) attached to this final
plan as Appendix A.

(g) “Telephone company” means a public utility, which is engaged in the provision of telephone
service.

(h) “Wireless Communications” Commercial mobile radio service (CMRS) providers or means
cellular licensees, broadband personal communications services (PCS) licensees and specialized
mobile radio (SMR) providers, as those terms are defined by the Federal Communications
Commission, which offer real-time, two-way switched voice service that is interconnected with
the public switched network, and includes resellers of any commercial mobile radio service.

Section 2 – Territory Included In System

(a) All territory in Jefferson County, including every municipal corporation in the county, which is
served by telephone company central office equipment that will permit an enhanced emergency

Jefferson County Commission
Jefferson County, West Virginia

June, 2014

Proposed Amended Ordinance for Jefferson County, West Virginia to raise the E911 fee on residential local exchange service lines, VOIP, PBX and Centrex from $2.90 to $5.00
An ordinance of Jefferson County providing for an amendment to the original a proposal for an
enhanced emergency telephone system for holding of a public meeting and for placement of an
advertisement notifying the public of such meeting and of the location at which a copy of proposal may
be examined.

WHEREAS, section three-cc, article one, chapter seven {7-1-3-cc} of the West Virginia code grants the
authority to county commissions to establish an enhanced emergency telephone system and impose a
fee of the capital, installation and maintenance costs thereof;

WHEREAS, 24-6-6 of the West Virginia Code states the emergency telephone system plan may be
amended after notice of the proposed amendments is given and a public meeting is held.

Now therefore be it ordained by the county commission of Jefferson County, West Virginia pursuant to
and in accordance with 24-6-6 of the West Virginia Code, the following:

Jefferson County proposes to amend wireline rates from the current rate of $2.90 per line and 25% of
$2.90 per Centrex line to $5.00 per line effective June 19, 2014.
