GENERAL INSTRUCTIONS

1. Unless otherwise indicated, the information required in this report form shall be taken from the accounts and other records. The account numbers shown in this report are those prescribed by C.F.R. 47, Part 32 of the FCC rules. The account definitions and instructions contained in Part 32 shall serve as a guide to the extent practicable.
2. All copies filed with the commission must be legible and permanent. All entries therein shall be shown in black with items of a reverse or contrary character enclosed in parenthesis, or if the schedule is prepared from a computer printout, items of a reverse or contrary character may be indicated by a minus symbol.
3. All instructions shall be followed and each question shall be answered fully and accurately. Sufficient answer shall appear to show that no question has been overlooked. The expression "none" or "not applicable" shall be given as the answer to any particular inquiry where it truly and completely states the fact. Customary abbreviations may be used except that the exact name of the respondent shall be shown in full on the "Title Page", and in the "Signature Page".
4. Whenever information is required to be shown "in a note", the information shall be shown at the foot of the schedule if space permits, or a reference shall be made to the adjacent page or insert where the note will be found. In each case the information shall be properly identified. Where the space provided is insufficient for the required data or where it is otherwise necessary or desirable to insert additional statements or schedules, the insert pages shall be of durable paper conforming to this form in size and width of margin. Each insert shall bear the number and title of the schedule to which it pertains, as well as the name of the respondent and the year covered, in a style conforming as nearly as practicable to that appearing on the regular page.
5. It is not necessary to show erroneous entries and correcting reversals in activity columns (i.e., charges or credits during the year) in any schedule of this report.
6. The information required with respect to any statement shall be furnished as a minimum requirement to which shall be added such further material information as is necessary to make the required statements in the light of the circumstances under which they are made, not misleading.
7. Amounts in any schedule (except as otherwise provided therein) may, at the option of the respondent, be rounded off to whole dollars provided that the amounts are appropriately adjusted to accord with totals.
