SECTION 2 - UNDERTAKING OF THE COMPANY

2.1 Limitations on Service

02:27 PM AUG 02 2019 EXEC SEC DIV

- 2.1.1 Service is offered to the availability of facilities and the provisions of the tariff. The Company reserves the right to limit or to allocate the use of existing facilities, or of additional facilities offered by the Company, when necessary because of lack of facilities, or due to some other cause beyond the Company's control.

The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities, including facilities the Company may obtain from other carriers, to furnish service.

- 2.1.2 The Company reserves the right to immediately discontinue furnishing services or billing options when the manner in which the Customer uses the Company's service results, or may result, in network blockage or other service degradation which adversely affects service to the calling party, the customer, or other customers of the Company. The Company also reserves the right to immediately discontinue furnishing services or billings options, when the Customer is using the service in violation of the provisions of this tariff or in violation of the law. The customer will be responsible for all charges incurred as well as any access charges the Company may incur as a result of such customer actions.

- 2.1.3 Service may be discontinued by the Company, at any time and without notice to its Customers, by blocking traffic to or from certain countries, cities, NXX exchanges, or individual telephone stations, by blocking call origination for Company services, or by blocking calls using certain customer authorization codes and/or access codes when the Company deems it necessary to take such action to prevent unlawful and/or unauthorized use of its services. In addition, the Company may take any of the foregoing actions, in the case of actual or anticipated non-payment for its service. In order to control fraud, the Company may refuse to accept Calling Card, Collect Calling, and/or Third Party calls which it reasonably believes to be unauthorized or invalid and/or may limit the use of these billing options to or from certain countries or areas including, without limitation, all or part of the United States, Puerto Rico, and/or the U.S. Virgin Islands.

(N)**SECTION 6 - GRANDFATHERED SERVICES**

6.1 XO Gold Services - - *As of September 25, 2005, this product will only be available to current customers at their current locations*

XO's Gold Services provide XO's customers with direct dialed communications services which are available for use by its customers on a twenty-four (24) hours a day seven days a week basis. Customers may originate Gold services from locations served by the Company, and may terminate such calls to any location within the United States. Gold Services include 1+ Outbound and Inbound Service, Operator Assistance, Toll Free Service and Directory Assistance Services as set forth below. Customers may not substitute other services or rates for those set forth in this section or other sections of this tariff that are associated with the Gold Service, excepted as explicitly permitted by the terms and conditions of the Gold Service.

For the purposes of this Section 4.1, timing of messages will be determined by the following method.

- (a) Chargeable time begins when connection is established between the calling station and the called station.
- (b) Chargeable time ends when the calling station "hangs up" thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the telephone network.
