RE: Case No. 10-0558-T-GI  
General Investigation Regarding Certification of Federal Universal  
Service Funding for Eligible Telecommunications Carriers in West Virginia

Dear Ms. Squire:

By this letter, TracFone Wireless, Inc. ("TracFone") responds to the Final Joint Staff Memorandum ("Staff Memorandum") issued on August 12, 2010, in the above-referenced case. The Staff Memorandum notes that TracFone has not filed its Study Area Code information and a copy of the annual Lifeline verification compliance certification as described in FCC Public Notice DA 07-3088. The Staff Memorandum requests TracFone to file the information by August 26, 2010. Although the Staff Memorandum requests that the Study Area Code and Lifeline verification certification be filed by August 26, 2010, that certification, which is required to be filed with the Universal Service Administrative Company, is not due until August 31, 2010. Therefore, TracFone will supplement its Annual Report, filed July 23, 2010, by filing its Study Area Code and Lifeline verification certification with this Commission on August 31, 2010.

Sincerely,

  
Paul E. Frampton
