Re: Case No. 10-0558-T-GI

Dear Ms. Squire:

Per Case No. 10-0558-T-GI dated May 10, 2010, Frontier West Virginia discussed the ETC filing with Deputy Director Mike Fletcher and Staff Member Don Wilson. Frontier was advised the filing made by Verizon West Virginia was all that would be required for notifying USAC of Frontier's compliance for continued USF support.

Frontier West Virginia has provided an Excel spreadsheet containing of 2,511 customers identified as receiving Tel-Assistance or Lifeline discounts to the Department of Health and Human Resources for verification. Once DHHR provides the results of the verification, Frontier will contact, via letter, each customer that has been identified as no longer qualifying for continued discounted phone service. Frontier will also provide the Commission the results of the verification.

If you have any questions, please don't hesitate to contact me at 304-325-1688.

Sincerely,
Frontier West Virginia
