Re: Mt. Storm Wind Force, LLC
Case No. 01-1664-E-CN (closed entry)
Transfer of Mt. Storm Wind Force, LLC Membership Interests

Dear Ms. Squire:

Mt. Storm Wind Force, LLC ("Mt. Storm") holds a certificate of convenience and necessity ("Certificate") to construct and operate a wind power generating facility in Tucker and Grant Counties, West Virginia ("Facility"). The Commission entered an order granting the Certificate in Case No. 01-1664-E-CN on August 29, 2002 ("Certification Order").

Until recently, ninety-five percent of Mt. Storm's membership interests were owned by US Wind Force, LLC ("USWF"), and the remaining five percent was owned by Edison Mission Mid-Atlantic, Inc. ("EMMA"). On May 8, 2013, those membership interests were transferred as follows:

1. USWF transferred all of its membership interests in Mt. Storm to EHI Development Fund, a California corporation ("EHI").
2. Immediately after that conveyance occurred, EHI and EMMA each transferred their membership interests in Mt. Storm to Laurel Renewable Partners, LLC, a Delaware limited liability company ("Laurel Renewable").
3. As a result of those transactions, Laurel Renewable now owns of 100% of the membership interests in Mt. Storm.

Under Laurel Renewable's ownership, Mt. Storm will continue to be bound by the terms of the Certificate. Because Siting Rule 7.1 requires notice in the event an owner of an EWG

facility "plans to transfer or assign its [s]iting certificate," it appears inapplicable to the transfer of Mt. Storm's membership interests. Nevertheless, EMMA and USWF wish to notify the Commission of the transfers and provide the information required by Siting Rule 7.1:

1. EHI's mailing address is 3 MacArthur Place, Suite 100, Santa Ana, CA 92707.
2. EHI's principle officer's name and mailing address is: Randolph Mann, 3 MacArthur Place, Suite 100, Santa Ana, CA 92707.
3. Laurel Renewable's mailing address is 356 E Pittsburgh Street, #356, Greensburg, PA 15601-2781.
4. Laurel Renewable's manager's name and mailing address is: David K. Friend, 356 E Pittsburgh Street, #356, Greensburg, PA 15601-2781.

EHI and Laurel Renewable have each completed the affidavit specified in Siting Rule 7.1, but request a waiver of that rule's thirty day notice requirement to whatever extent it may be applicable. See Attachments (A) and (B).

Please file this letter and its attachments and provide twelve copies to the appropriate parties at the Commission. We also ask that you date stamp the extra copy provided and return it with our messenger. As always, we appreciate your assistance.

Sincerely,

James M. Davis
